Chicago Grain and Produce.

CHICAGO, MAY 16.—Had the tone of the markets being judged by the opening prices on "Change," the joy of the professional bears would have been full. Wheat differed from everything else in having its opening prices, which were 1/2 lower than the previous day. The market was generally bull, however, there was such general bulging of the market that prices advanced 1/2 from the opening figures. It was, as the bulls regard it, another stride towards winter wheat. The advance was not on cables or foreign news, but against it and in spite of it. The bulge was largely due to a few leading houses. When the crowd was unloading yesterday the big fellows kept still and many thought they were getting from under the wheat. When the market opened this morning about 2 1/2 below, they stopped bulging it. Two days ago they put their brokers in the pit and with the help of the crowd who bid up to get on again prices advanced 1/2. Fully opened at 57 1/2, sold down to 57 1/2, reacted and advanced to 59 1/2 and closed at 59 1/2.

Corn was without startling features today. It showed weakness by opening 1/2 lower than last night. It showed further weakness by a decline of 1/2 from opening prices. The out inspection was quite large and under wheat and corn, the market rallied and sold at 41 1/2. In up to last night's prices, which were the highest for the season. May opened at 37 1/2, declined to 36 1/2, reacted to 37 1/2, July opened at 59 1/2, declined to 57 1/2 and closed at 57 1/2.

Oats opened steady at about last night's prices, showed weakness with corn and slight rally closed about steady. May opened at 34 1/2, declined to 34 1/2, reacted to 35 1/2, July opened at 54 1/2, declined to 54 1/2, reacted to 55 1/2 and closed at 55 1/2.
